Neither the European Union nor the granting authority can be held responsible for them."

Project #101252513

The growing need for inclusive digital learning and international collaboration highlights the importance of Virtual Exchange

CHALLENGES

01

Limited access to international mobility and cross-cultural learning opportunities for many students and young people.

02

Insufficient digital, intercultural and global citizenship competences among learners and educators.

03

Need for innovative and inclusive educational approaches that overcome geographical and economic barriers.

SPECIFIC OBJECTIVES

Strengthening digital and intercultural competences

Equip students, educators and youth workers with digital collaboration, communication and intercultural dialogue skills.

Promoting global citizenship and inclusive participation

Enable meaningful international engagement regardless of location, economic status or mobility opportunities.

Embedding Virtual Exchange in education and youth work

Support institutions in integrating Virtual Exchange methodologies into curricula and non-formal learning programmes.

VEX Response

Training educators and facilitators in Virtual Exchange methodologies

Implementing Virtual Exchange activities connecting students across partner countries

Developing AI-supported and gamified learning tools to enhance engagement
